

## PARTS

Is your broke down tractor making you blue? Come down to Clinton Tractor where we're happy to help you! A passion for stocking numerous parts is a trait that comes from deep within our hearts. New Holland, New Holland Construction and Ferris are our three main lines; if you need something else, just let us know and that's perfectly fine. We have the capability to locate parts from another source, which include, but are not limited to, of course, Ag Bag, Agco, Alamo, Badger, Brillion, Bri-Mar, Bush Hog, Kuhn-Knight, Killbros, Landpride, Kverneland, Patz, Pequea, Sunflower, Woods, just to name a few. If you request parts that are from a different place than call us and we will have the part for you at a fast pace. We bet that you did not know that you could buy New Holland branded Snap-on™ hand tools here, so come down, check them out and I know that they will bring you great cheer!

## SERVICE

We have eleven service mechanics that have over 200 years experience combined; helping you with your tractor repairs is always in our mind. All of our employees are eager to attend New Holland Service Schools through out year. When you need your equipment serviced or repaired, trust us, you want to bring it down here! There are times, we know, when your tractor won't start, you will need us up there to take it apart. Don't you worry; we can come to you; we'll service and repair your tractor so it runs like new. We also have news...did you hear? Clinton Tractor has been awarded the New Holland Presidents Choice Prestige Dealer for the eighth straight year!
